Pns hoc opusculū artificiosa ad invētiōe impmendi seu caracterizandi absq; calami exaracōn in civitate Moguntii sic effigiātum et ad eusebiū Dei industrie per Johes Fust civē et Petrū Schoeffer de Gernsheim clericū diocesis ejusdem est consummatum; anno dñi, M,CCCC,LXII, in vigilia assumptionis virg. I have seen most of the cabinets and public libraries of Italy and France, which are distinguished by the possession of this fine specimen of early typography, but I have no where found one which equals this copy in fairness of vellum, grandeur of margin, and the exquisite paintings of the initials; it is in every respect a most beautiful and complete book
